

18. SWIMMING ABILITY :

Non Swimmer

19. TRAINING :

Date Of Last Dinghy/Ditching Drill

5/29/12 12:00 AM

Describe Any Previous Training or Actual Ditching With Dates

* Annotate N/A Where Not Applicable Casualty Maintained

PART II- LAND CASUALTY

NOTE :This questionnaire is to be completed whenever a casualty is not recovered within 12 hours of a known or presumed crash or escape by parachute unless subsequent recovery indicates that there was no survival following impact with the ground. In some instance of recovery within 12 hours the Medical Officer may consider that there is sufficient interest in the rescue operation to warrant completion of the form.
